YMCA OF SOUTHERN NEVADA

Setting the Pace for Family Fitness

The YMCA of Southern Nevada has been setting the pace for family fitness and recreation in the Las Vegas Valley since 1944 through diverse programs that cater to individuals of every age and fitness level. Each year, nearly 50,000 Southern Nevadans benefit from the YMCA's aquatic, fitness, youth and family, active older adult and sports programs.

City Partnership Boosts Impact

A local nonprofit organization, the YMCA partners with the City of Las Vegas to provide fitness and recreational opportunities in underserved pockets of the valley. In 2000, the YMCA entered into an agreement with the city to operate the City of Las Vegas Durango Hills Community Center. The collaboration allowed the YMCA to double its community impact.

In early 2007, the YMCA was selected to operate the City of Las Vegas Centennial Hills Community Center in the northwest valley. Located on 18 acres in Centennial Hills Park, the 98,000-square-foot community center is the city's largest leisure center. The YMCA operates these branches in addition to the YMCA-owned Bill & Lillie Heinrich YMCA, located at 4141 Meadows Lane across from the Meadows Mall.

Traditional and Innovative Programs

The YMCA offers countless programs for individuals of every age and ability. Fall is a great time to sign up for swim lessons, youth sports and the Y's popular before- and after-school programs. Visit www.lasvegasyymca.org for a full program guide.

Swim Lessons

In 2006, YMCAs across the country celebrated a milestone: the 100th anniversary of group swimming instruction at the YMCA. Olympic medalists Mark Spitz, Greg Louganis and Janet Evans learned how to swim at the Y. Classes include water babies, preschool and youth swim lessons, teen and adult lessons, private lessons and specialty classes. Youth ages 6-17 can even participate in YMCA Tigersharks Swim Team!

Youth Sports

Young athletes can enjoy positive sporting experiences. From basketball clinics and competitive leagues to tae kwon do, cheerleading, volleyball, gymnastics and wrestling, there's something for everyone at the Y. Even itty bitty athletes (3-5 years) have the chance to learn fundamentals and sportsmanship through programs "just their size."

Track Break Camp

When school's out, the YMCA is in! Track break campers enjoy exciting weekly themes and affordable field trips. Camp includes swimming, arts and crafts, group games, computer learning and more.

Before- and After-School Programs

The YMCA offers before- and after-school programs for youth in kindergarten-grade 8. Transportation is provided to and from several schools. Youth receive homework assistance, foster lasting friendships, enjoy recreational activities, and refuel on after-school snacks!
